Social Studies–History Standards

Gender representation on corporate boards of directors refers to the proportion of men and women who occupy board member positions. To measure gender diversity on corporate boards, studies often use the percentage of women holding corporate board seats and the percentage of companies with at least one woman on their board.

of Regulations. This amendment will modify the university's General Education (GE) requirements to include a course addressing ethnic studies and social justice.

CSU Trustees Approve Ethnic Studies and Social Justice ...

Critical race theory (CRT) is a theoretical framework in the social sciences that examines society and culture as they relate to categorizations of race, law, and power. It is loosely unified by two common themes. Firstly, CRT proposes that white supremacy and racial power are maintained over time, and in particular, that the law may play a role in this process. Secondly, CRT work has ...
