domain Public Library provides a variety of services available both in the Library and online. ... There are also book-related puzzles and games to play.

Cormen Solutions
Welcome to my page of solutions to "Introduction to Algorithms" by Cormen, Leiserson, Rivest, and Stein. It was typeset using the LaTeX language, with most diagrams done using Tikz. It is nearly complete (and over 500 pages total!), there were a few problems that proved some combination of more difficult and less interesting on the initial pass, so they are not yet completed.

GitHub - gzc/CLRS: Solutions to Introduction to Algorithms
I am currently reading Cormen's famous Introduction to Algorithms book. However, I do not have a resource where I can verify my solutions to the exercises. I've tried to find something on Google, but everything I find is for the 2nd edition whereas I have the 3rd. Some problems are similar, but some aren't. I'd like to have a solutions manual for this specific book.
