Creative Mind

The creation of something new is not accomplished by the intellect but by the play instinct acting from inner necessity. The creative mind plays with the objects it loves. Since new developments are the products of a creative mind, we must therefore stimulate and encourage that type of mind in every way possible.

Quotes -

BrainyQuote

HABITS OF THE CREATIVE MIND is a bracingly fresh guide to writing: it is tough minded and feisty in discussing writing; it offers an exciting sense of the uses of modern technology to the writing student; and it is energetically interested in "creative" writing--not fiction or poetry, but writing
