Once and Future #1 is a really fascinating debut of an action adventure serial loaded with fun, wonder and horror, that also feels very prescient and the best of the genre it's trying to tackle. Yes, it's got your magic sword scabbards, your grand old mentor archetypes and even the classical Questing Beast, but it is about more than that ...

The past few years have seen increasing attention to myths in education. The entire January 2020 issue of Medical Education is devoted to education myths, and they have indicated that this may be a permanent feature. In 2015, De Bruyckere et al 2 published a book describing myths in education. Education myths have also become a personal interest, and I wrote an editorial last year on the ...
