The applications and manuals below are for traditional EE-12 schools. If your school is predominantly an online school, or offers a hybrid program (students attend class 2-3 days each week and then complete teacher-assigned coursework at home the remainder of the week), there is a separate application with separate indicators.

SABRe - Rolls-Royce Holdings
There are three levels of itinerary pricing and ticketing in SABRE. All known as "PHASES". Phase 3 SABRE will automatically price the PNR at the fare required. This would be guaranteed once ticketed, Phase 3.5 SABRE does not automatically price the itinerary at the fare required and another fare basis needs to be forced into the pricing entry.

"I am interested in taking up sabre. What is the best manual to begin with?" My personal answer to this is: "The one you prefer." Few people realize the number of manuals that were written on that subject. For the 19th century alone, the Schola Artis database gives us close to 200 manuals, with many probably missing.
