Whitman and Twain especially share the  
immediacy of a first-person native voice,  
as well as the political point of view  
underlying the vernacular style  
advocating egalitarianism. It is  
surprising, though, how little Whitman  
and the realists encountered and

**Walt Whitman's native  
representations (Book, 1994 ...**

Walt Whitman looked to many different areas of American culture to develop a distinctively American poetry. This book investigates four of the areas he found most fertile for his own poetic development: the evolution of American dictionaries, the growth of the national sport of baseball, the decimation of American Indians, and the development of American photography.

### **Walt Whitman's Native Representations**

Walt Whitman (/ ' hw ɪ t m ə n /; May 31, 1819 - March 26, 1892) was an American poet, essayist, and journalist. A humanist, he was a part of the transition between transcendentalism and realism, incorporating both views in his works. Whitman is among the most influential poets in the American canon, often called the father of free verse. His work was controversial in its time, particularly ...
